This is an exciting opportunity for a talented, creative student keen to gain hands on experience producing photographs and videos for this established host. Mentored throughout, you will be given early responsibility to showcase your skills in producing professional output for marketing materials, brochures, and videos for the company's YouTube channel. For the selected candidate, this placement could be a career defining move.

## Tasks

- Produce videos for host TV YouTube channel, including filming and editing
- Assist in producing a creative strategy to present our products and services for print and digital marketing
- Photograph all aspects of the business including show homes, development sites and commercial buildings
- Photograph projects in progress including contracting, plant and development
- Capture lifestyle images, direct and manage photoshoots
- Capture creative photography for marketing our brand
- Photograph the workforce for internal staff newsletter
- Use Adobe Creative Suite to edit photographs
- Image editing using Photoshop
- Uploading photos to website, social media and other platforms

## Personal Skills

- Studying for a degree in photography, videography, media studies or similar creative subject
- IT literate, good knowledge of word, Adobe creative suite
- Enthusiastic and self-motivated individual with a passion to excel
- Ability to work on own and as part of a team
- Proactive and able to take initiative
- Excellent spoken English
- Excellent communication skills

## The Host Company

This host is a second-generation family construction business with a heritage of over 50 years having divisions in development (new homes and retirement villages), contracting, plant hire, farming, and leisure. The business' mission is Building for a Better Future, offering quality homes that are different from the mass housebuilder. With strong core values including integrity and customer focus, this expanding company is looking to build on its successes and reputation
